

CERTIFICATION OF CONFORMITY

In accordance with the following applicable directive:

2014/35/EU
Low Voltage Directive

The device, as described herewith, was tested pursuant to applicable test procedure and complies with the requirement of:

EN 62109-1:2010
Safety of power converters for use in photovoltaic power systems -
Part 1: General requirements

The test results are traceable to the international or national standards.
